Subject - TEMPORARY ESTABLISHMENT OF THE HEALTH

ITS CONTINUANCE DURING 47-48, 48-49
and 49-50

12/5/50
I have the honour to state that in response to this office letter No A5 C 497/47-48 dated 30-7-49 Government in their order No L 5095-6/C M 1-49-14 dated 12-9-1949 have accorded sanction for the continuance of the temporary establishment of the Health Section during 1947-48, and 1948-49 and the question relating to the further continuance of the establishment during 1949-50 and of making it permanent were reserved for separate consideration. The temporary establishment pay bills of the Health Section were however ordered to be passed provisionally in audit pending receipt of sanction from Government. The Auditor of the Corporation has raised an objection that the pay bills of the temporary establishments cannot be passed in the absence of sanction to their continuance for an indefinitely long period.

In this connection, I am to add that the following two temporary establishments of the Health Section were omitted by oversight while recommending to Government in this office letter No A5 497/47-48 dated 30-7-1949, for

Subject Temporary Establish-
ment of the Health Section of
the Bangalore City Municipality.
Its continuance during 47-48
48-49 and 49-50.

Sir,

With reference to ~~your~~
the correspondence and up with
your letter no 497
dated 6.1.51 on the above
subject, I am directed to
state that the City Council
Establishment and the Municipal
Establishment have been sanctioned
up to the end of 1945-46

no continuance of these establishments
during 47-48, 48-49 and 49-50
is only applied for now which appears
to leave an ^{uncovered} ~~uncovered~~ gap of one
year in respect of them during 46-47
Also this Recommendation is ^{also} not supported
by an appropriate Resolution of the Municipal
Council. The strengths of the employees group
as originally sanctioned is found to be 30
while the present Recommendation is for
the continuance of 31 men. Thus one
extra requires to be accounted for.
Their pay also should be at the old rates
till 1.1.47 and at the revised rates
hereafter.

The Corporation has also undertaken
the preparation of the Schedule of establishments
wherein will be included all the officers and
servants who should constitute the Corporation
establishment which perhaps obviates the necessity
of considering separately now the question of
making permanent all these temporary
establishments.

A copy of the report No H2 P R 900/50-51 dated 2nd May 1951 received from the Health Officer in this respect is enclosed herewith for favour of information. The Corporation, while sanctioning the schedule of Establishment have sanctioned all the temporary establishment on a permanent basis and the same is under submission to Government for their sanction.

When the Auditor of the Corporation was asked to pass the pay bills of these establishments provisionally, pending sanction of the Government, ^{he} has passed the bills in question for April 1951 and stated that the sanction of Government is necessary for the continuance of the posts carrying a pay of more than R 100/- from 1st April 1950 until the final sanction to the schedule of Establishment is accorded by Government. A Copy of the letter No 61/C A 51-52 dated 10th May 1951 received from the Auditor is also enclosed herewith.

it has been found out that one of the sweepers was posted

the strength of the cyanogas establishment is 31, is due to
oversight, which is regretted.

This irregularity has since been ratified and the

SUBJECT: - Temporary Establishments of the Health

With reference to your letter No L 2616 dated 22nd June 1951 on the above subject, asking me to intimate whether the salaries of the temporary establishments have been drawn and disbursed upto the end of March 1950 etc , I write to state that the salaries of the temporary establishments upto the end of March 1950 have been drawn and disbursed, pending sanction of Government for the continuance of the temporary establishments referred to the in the correspondence ending with this office letter No A6 C 497/47-48 dated 2nd June 1951. It was with a view to avoid hardship to the officials who had actually worked during that period the salary was provisionally admitted in audit at the request of the Commissioner.

These establishments are yet shown as temporary and they will be treated as temporary, until the new Schedule of Establishments of the Corporation is sanctioned by the Government. Regarding Temporary Establishments from 1949-50 & onwards,
(of the Bangalore Corporation)

I write to invite reference to letter No A6 C 497/47-48 dated 31/7 1951 of the Commissioner, Bangalore City Corporation, addressed to you regarding the continuance of the temporary establishments of the Health Section etc, and to state that the temporary establishment Pay bills relating to Health Office, Engineer's Office, Revenue Office and Octroi Office of the Corporation for 1949-50 and onwards are being provisionally admitted in audit as desired by the Commissioner. Every month when the bills are received in the Corporation Audit Section, the authority for the continuance of the establishments is asked to be produced and the Commissioner has been writing to Government requesting early orders regarding continuance and urging the Auditor to pass them provisionally pending sanction of Government. The Commissioner is also being informed every month that passing of such bills indefinitely without competent sanction is highly objectionable and that timely action may be taken to obtain the sanction of Government before the Bills of the next month were sent for audit. He has thus been requested more than once by the Auditor to obtain orders of Government for admitting the bills provisionally as the approval of the Schedule of Establishment by Government in which these establishments have been stated to have been included and shown as permanent would take a long time (Copies of his letter No 228/C A 50-51 dated 8 3 1951, 7/C A 51-52 dated 6 4 1951 and 120/O A 51-52 dated 9 6 1951 are enclosed for information). The Commissioner has again forwarded a copy of his letter dated 9th July 1951 adverted to above and addressed to Government and requested the Auditor to pass the temporary Establishment Pay

(2)

Pay Bills provisionally pending sanction of Government
have instructed the Auditor to admit the bills for July
1951 also provisionally as desired by the Commissioner to
avoid hardship to the officials The fact of admitting
such bills without the sanction of competent authority
indefinitely, ^{or being} ~~has been~~ brought to the notice of Government
^{once again} so that orders of Government may kindly be obtained for
passing the claims provisionally

Letter 7/CA 1-2 dated 5/3-4-1951 from the Auditor

Re Mangalore Corporation Establishments

With reference to your letter to AG-31 0/3-4-51 dated
the 11th 11 requesting to admit the Temporary Establishments
ment pay bills provisionally this month also, I write to
state that it was definitely mentioned in my letter to AG-31
CA 10-1 dated 3-3-51 while admitting the Temporary Establish-
ment pay bills for February 1951 provisionally that the
bills will not be admitted provisionally in future for
the reasons fully explained therein. However, the pay
bill for March 1951 is also admitted provisionally as desired
by you to avoid inconvenience to the staff in these hard days.

As repeatedly pointed out the temporary establishments
are being continued without sanction from the year 1949-50.
At one stage it was stated in your letter to AG 31 6528/50
dated 30-11-50 that reports have been called for from the
subordinate offices and that on receipt of the report a
consolidated reference would be made to Government soon.
At another stage it was stated in your letter to AG 31
dated 31-1-1951 that the temporary establishments were
proposed to be made permanent and included in the schedule
of Establishment which was stated to have been submitted
to Government for sanction. Now it is stated that the
Schedule of Establishment will be submitted for the sanction
of Government after the verification of average cost.
I have to point out that the sanction of the Schedule of
Establishment and the allocation statement by Government
and the obtaining of orders for the continuance of the
establishments beyond the period of sanction are different
issues on which separate orders are necessary. Besides
as already stated in one of my previous letters, it will
take a long time to get the Schedule of Establishment
sanctioned by Government. Unless sanction for the
continuance of the posts carrying a pay of more than Rs 100/-
is received or Government direct that the Bills
may be passed provisionally it is regretted that bills
of the temporary establishments will not be passed in
audit. Therefore it is requested that timely action may
kindly be taken now on for getting the necessary sanction
so that that the writing of letters at the last moment
requesting to pass the Bills provisionally may not recur.

Subject - Regarding Temporary Establishments

With reference to your letter No nil dated 31st January 1951 regarding the continuance of Temporary Establishment during 1950-51 I write to state that it is nearly a year that the bills relating to Temporary Establishments are being admitted provisionally as desired by you every month to avoid inconvenience to the officials in these hard days. At the same time it is also irregular and highly objectionable to admit such unsanctioned claims for an indefinite period. It may also take a pretty long time to get the Schedule of Establishments approved by Government. Under the circumstances, it is not desirable to admit such claims of the temporary establishments which require sanction of Government. I therefore request once again to obtain sanction of Government for the continuance of Temporary Establishments particularly posts carrying a pay of Rs 100/- and more for the period 1950-51 and onwards and the same communicated before the end of this month so that the pay bills for March 1951 can be admitted without any objection, as it will not be in order to admit the unsanctioned claims indefinitely in anticipation of sanction. In the absence of special orders of Government sanctioning the continuance of Temporary Establishment or a direction from Government that the claims may be admitted provisionally until final orders are issued, the bills for March will not be admitted in audit. Hence timely action may kindly be taken now alone so that the problem may not continue to crop at the end of this month.
